

LG Neon GT 365 Battery Replacement

This guide will instruct how to replace the battery with minimal dis-assembly.

Written By: kristie

Step 1 — Battery

- With one hand, push the rectangular button located on the back top-side of the phone.

Step 2

- With your other hand, remove the rear cover.

Step 3

- Pull out the battery by lifting it from the cut out on the bottom end of the battery.
- Once the Battery is removed, purchase a replacement battery and insert the battery back into the phone.

To reassemble your device, follow these instructions in reverse order.
